

The sheep industry in Alberta is growing, we are pleased to see expansion by existing producers and welcome people new into the industry. To support a sustainable, thriving industry ALP is collaborating with Olds College to bring you this course.

Lamb Production 101 - Getting Started

Are you new to the sheep industry or want to learn more about raising market lambs? With a focus on practical information and skills relating to production practices, this course will give you the basics on rearing quality lambs.

**Saturday September 24th, 10am - 4pm
Olds College**

Course fee:\$120 including lunch

To register call: [1-800-661-6537](tel:1-800-661-6537)

Register early - places are limited

ALP has committed some of your check off dollars to leverage external funding (applied for) to create some resources and workshops on a wide range of topics. We plan to make these available throughout the province both face to face and via electronic means. More news as soon as we have it through N'ewesline and your N'ewesletter.
