

Olds College - Animal Science Continuing Education Courses.

SHEEP

Lambing Fundamentals (101)

1 Day

1) Discuss Lambing: normal births and dystocia births plus supplies needed.
2) Lambs: (using live or dead lambs) demonstration and hands-on, perform procedures such as:
stomach tubing lambs, intra peritoneal dextrose injections, weigh lambs, band tails, castration with rings, injections and ear tagging. (There will be a possibility of adding a second session should enrolments warrant it.)

\$110 + GST

Fri Mar 5, 9:30 am - 4 pm

Introduction To Sheep Nutrition

1 Day

This course provides an introduction to nutrition principals and their application to sheep. We will discuss feed sampling techniques, how to read feed analysis sheets and the role of energy, protein, minerals, vitamins and water in sheep diets.

\$110 + GST

Sat Mar 6, 9:00 am - 4:30 pm

To register, call 1-800-661-6537 ext. 4677 or 7956 or 8299.
