

Alberta Livestock & Meat Agency has been very supportive of the lamb industry through funding to enable industry development projects such as business plan implementation & industry expansion and traceability. ALMA is requesting your participation in a survey to help them meet the needs of agriculture. The link is below. Thank you.

Hello,

I appreciate that you've agreed to distribute this ad and survey link to your producers. The ad below contains a link that will take you directly to the ALMA survey. It can be placed on your website, in your newsletter and/or emails (just forward this email with your own introduction). The survey will remain active until September 2, 2011.

Thanks again for helping ALMA meet the needs of Alberta's livestock and meat industry.
