**The annual funding for the Growing Forward OFFS Producer Program is fully committed.**

The Growing Forward OFFS Producer Program is no longer accepting Work Plan applications for 2010–11.

Applicants whose work plans have been reviewed and received notification from Agriculture and Rural Development should still submit their Grant Applications forms for reimbursement as soon as possible.

There is limited funding under Growing Forward and applications are considered on a first come, first served basis. Once the annual funds are fully committed, we can no longer accept Work Plan applications.

Information regarding the availability of funding for 2011-12 will be posted on this website.
